Since the programme of Liberalization, Privatization and Globalization is started the reservation of reserved classes has come to an end. This is due to the LPG programme. Hence the reserved classes can revolt against this programme. Keeping this in mind fighting related to categorization among reserved classes is devised. It is propagated that this fighting is happening for providing reservation. But it is not true. Rather this is a devious programme to dilute the influence of movement against LPG and to misuse reserved classes for the political benefits of ruling castes. Following subject is kept for discussion for giving information making awareness regarding this.

The topic related to Valmiki caste is kept in connection with this. The history has witnessed that conspiracy is always made to disassociate Valmiki caste from their freedom movement. And because of this Valmiki castes are paying its cost till today. It is necessary to remain vigilant to ensure that it should not happen again with Valmiki castes. To make Valmiki castes cautious about the conspiracy of the enemy, following subject is kept for discussion.

Subject: "The devious fighting among SC, among ST, among OBCs is created not for providing reservation but it is conspiracy for misusing them for the political benefits of the ruling caste"

OR It is a Brahminical conspiracy to disassociate Valmiki Caste from the Nation wide movement

Halba tribal people are deprived of the benefits of Scheduled Tribes (ST) without withdrawing them from the list of scheduled Tribes. They are deprived of in the name of caste verification. This conspiracy is being done to deprive of Halba tribal people from taking the benefits of constitutional rights. Apart from this we came to know that in Maharashtra 33 out of 43 castes are deprived of their constitution rights in the name of caste verification. This might be country wide problem. CONVENTION TO EXPOSE PRIVATIZATION

Speakers: Delegates from different state will participate.

**Special Prabodhan Prashikshan Session No. 5:
26th December, 2006 (Tuesday) 11.00 am. to 2.00 pm.**

The mandate of year 2004 election was against privatization. Then also ruling caste continued the conspiracy of privatization. By doing this the programme was executed to betray the mandate. This betrayal of mandate is being done by communist also who always speak about people's well being. Now instead of stopping it, the programme of privatization is in second phase. This second phase of the programme is very dangerous. In second phase the land of farmers of the villages is being grabbed to implement the Special Economic Zone (SEZ) Programme. It means after capturing the cities privatization is now moving towards the villages. So this is very dangerous programme. But the people don't have proper information regarding this. The following subject is kept for discussion to give information to the people and make awakening regarding this:

Subject: "The second phase of privatization - SEZ (Special Economic Zone) and its adverse effect on Mulnivasi Indians to enslave them".

Special Prabodhan Prashikshan Session No. 6:

26th December, 2006 (Tuesday) 3.00 pm. to 5.30 pm.

The second phase of privatization is being implemented in the field of education. Congress has decided to implement this programme through Mr. Arjun Singh, Minister of Human Resource Development and the pro-reservation image of Mr. Arjun Singh is being fabricated purposely. In reality Mr. Arjun Singh is trying to implement privatization programme in the field of education. With this Poor Mulnivasi Bahujans will be deprived of completely from the right of education and they will degraded to animals.

The competent, powerful and highly educated people of Mulnivasi Bahujan Samaj are saying that it's not possible to oppose privatization. On the other side the poor and weaker Mulnivasi Bahujans defeated BJP in the last Loksabha election by opposing privatization. In such a situation the opinion of such a competent, powerful and so called educated people that it is not possible to oppose LPG is the most stupid view and becomes the slogan of eunuchs. Following subject is kept for discussion to analyze and understand the situation.

Subject: "The privatization of education is the conspiracy of ruling caste to deprive Mulnivasis of from the right of education and to degrade them to animals.

Or "It is not possible to oppose Liberalization, Privatization and Globalization (LPG)" is the slogan of eunuchs".

Speakers: Dr. Bhagirath Prasad (IAS, Chief Secretary Higher Education Department Govt. of MP) Dr. Shatrughan Kumar (Delhi), Dr. Ram Kumar Ahirwar (Prof. of Ancient Indian Culture and Civilization University of Ujjain-MP) Dr. Kureel (Lucknow-UP) Mr. A. R. Tarshi (Retd. PCS Ludhiana-Punjab) Adv. Manoj Gorkela (Supreme Court of India-Delhi), Mr. Onkar Bhatiya (Himachal)

Tea Break: 5.30 pm to 6.00 pm.

Special Prabodhan Prashikshan Session No. 7:

26th December, 2006, 6.00 pm. to 9.00 pm.

On 16th November, 1992 Supreme Court has imposed Creamy Layer for OBCs in their reservations in the services. At the same time we alerted Scheduled Caste and Scheduled Tribe that creamy layer can be applied to SC/ST people also. Before Diwali Supreme Court ruled un-constitutional Judgment to impose creamy layer for Scheduled Caste and Scheduled Tribes. The ruling castes are silent on this issue. This decision will impose creamy layer in education and Mulnivasi Bahujans will be deprived of the right of education. What is this conspiracy? And what will be its adverse effect? Following subject is kept for discussion to analyze and understand this.

Subject: Imposing creamy layer to Scheduled Caste and Scheduled Tribes like OBCs is equivalent to nullify reservation. OR It is not possible to get justice to Mulnivasi bahujans from the non-representative Judiciary".

Speakers: Dr. S. K. Biswas (IAS Govt. of India), Mr. Hari Narke (Prominent Thinker-Pune), Justice Khemkaran (Retd. Justice Lucknow Branch of High Court at

The ordinances have made in the Legislatures of different states to ban the fundamental right of conversion so that the people should not get freedom due to conversion. Today also people do not have factual understanding regarding this. It is necessary to highlight this understanding and the objectives of Dr. Babasaheb Ambedkar. Speakers: Delegates of different states.

Special Prabodhan Prashikshan Session No. 11

28th December, 2006 (Thursday) From 11.00 am. to 2.00 pm.

Four years back, in Bihar we asked OBC people that they should come forward to launch a programme to give representation to the Most Backward Classes. But at that time the people of Backward Classes didn't take it seriously. We warned that if they do not do so then the Brahminical people will instigate Most Backward Classes against OBCs. The same thing happened in Bihar Legislative Assembly Election and Laluji had to pay for this. The same game was played by Rajnaath Singh in Uttar Pradesh. Considering this the step should be taken to do awakening at national level. And to prevent the misuse of MBCs the following subject is kept for discussion.

Special Prabodhan Prashikshan Session No.13:

28th December, 2006 From 18:00 hrs to 21:00 hrs.

After partition of India Brahminical people made a conspiracy to put a blame on Muslims. However fact is that Brahminical people themselves are the responsible for the partition. The same Brahminical people betrayed the Muslims in India, remained after independence. For the Social, Economical, Educational development of Muslims only lot of propagation is done but actual implementation work is not done at all. Now also misleading of Muslims is being done in the name of commission and many people are coming under the influence of this. This can be misused to betray minorities especially Muslims. To make cautious regarding this following subject is kept for discussion for the purpose of awakening.
